

THINK LIGHT THINK TOUGH

THINK Jolly Laminated Softboard Panels

Light weight, yet tough, the panel's smooth well glued, uniformly laminated surface finish is ideal for partitions, paneling and display boards.

The Board's intrinsic density makes it a 'Working Wall' providing for:

- ✓ *Superior Acoustics*
- ✓ *Thermal Insulation*
- ✓ *Increased Moisture Resistance*
- ✓ *Functional Display Board*

Available in 10mm and 11mm thickness.
